A Life in Stitches

A warm, funny and moving memoir about how a passion for knitting has marked the milestones of a woman's life, from surviving a typhoon to finding true love. From creating her very first sweater, an electric blue disaster that led to an unlikely bonding between father and daughter to
the yellow afghan that caused a breakup (and, ultimately, a breakthrough) and discovering that her love of knitting pales next to actual, true love, Rachael Herron's ability to spin wonderful yarns full of love, loss and laughter is addictive. 'Rachael Herron is a writer with an open heart. I feel it in her novels. In A LIFE IN StItCHES, I got a deeper look into that heart, and I love what I saw there. It's an honest, fascinating, warm-hug of a memoir.' Amy Singer, Knitty.com 'Even though I'm a lousy knitter with only a few crooked scarves to my name, I was captivated, delighted and touched by every chapter.' Erin Bried, author of How to Sew a Button 'Weaves together a life rich in family, romance, and enough electric blue yarn to knit her first sweater at age eleven ... I'm inspired to be as bold and as generous as the knitters in her life.' Catherine Friend, author of Sheepish:

Jillian Marsh is a survivor. She escaped her toxic upbringing at the hands of her religious zealot mother as a teenager, and after hitting rock bottom due to alcoholism in her twenties, she not only got sober, she built a successful marriage and medical career, even if she wasn’t able to make amends for all the mistakes she made during her drinking days. But nearly a decade later, things are once again going downhill for Jillian. Her wife, Rochelle, has left her while Jillian is pregnant with Rochelle’s biological child, and she feels constantly unsettled in her now-empty house—items missing from their usual place, burning candles she can’t remember lighting, the screen from her bedroom window removed. Even her mommies-to-be group isn’t the solace it once was. Bree, Camille, Maggie, and Jillian vowed to not only support one another in motherhood but in their sobriety, careers, and maintaining their independence after their babies are born . . . a sisterhood that begins to unravel when the secrets between the women come unwillingly to light. mother, and imagining all of it in some sort of subconscious sabotage against her unborn child? When the missing items turn into unambiguous threats, and as the circle of those she can trust continues to dwindle, Jillian knows only one thing for sure: she will do anything to protect her baby.
