hugh johnsons the story of wine johnson

The Story of Wine

The winner of every wine book award in Britain and the U.S. In this fascinating book, Hugh Johnson, the world's best-selling wine author, traces the story of wine from the dawn of civilization through the bacchanalian splendor of the ancient world to the present day. In his incomparable style that combines wit, insight and anecdote, Hugh Johnson tells us about classical drinking parties and Islamic Prohibition, the voyages of 14th century wine ships and the invention of the wine bottle, and how Champagne survived the bombardments of World War 1. Critically acclaimed, exquisitely written, The Story of Wine is a necessary addition to the library of any afficianado.

Hugh Johnson's Pocket Wine 2020 - The no 1 best-selling wine guide

The world's best-selling annual wine guide Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 43rd year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialties and how to match food with wines that will bring out the best in both. This latest edition of Hugh Johnson's Pocket Wine Book includes a colour supplement on "Wine Flavour: How, What, Why?"

**Hugh Johnson's Wine Journal**

The first wine journal from the world's favorite writer on wine, Hugh Johnson. Keep a record of your favorite (and least favorite) wines in this elegant hardcover journal from Hugh Johnson, renowned worldwide for his incisive and accessible writing on wine. Packed with Hugh's expertise and "tricks of the trade", this is the perfect traveling companion to help you get the most out of the wines you drink. In this beautiful and refined journal, you will be able to compile your own tasting notes and record those wines that you have particularly enjoyed, or otherwise. Easy to complete charts and space for writing tasting notes are combined with Hugh's guidelines on such subjects as choosing wine for particular occasions (such as which wine is best for your Christmas menu), the best vintages for particular wines, and what other wines to try if you are especially fond of those made from a certain grape, such as, for example, Merlot or Silvaner. Also containing quick-reference vintage charts and sections on grape varieties and wine & food pairing, Hugh Johnson's Wine Journal is the perfect gift or self-purchase for every lover of wine or those who want to know more.

Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This new edition also contains a special supplement on Organic, Natural and Biodynamic wines.

**The Story of Wine - From Noah to Now**

- The ultimate history of wine by the master of the subject, an award-winning bestseller for decades now in a new edition;
- New foreword by historian Andrew Roberts;
- Full of fascinating vignettes and side stories, a book to be read for hours or dipped into;
- Beautifully produced in a new flexibound volume that makes it easy to read "Who better to supply us with our first comprehensive historical survey than the wine writer with the magic pen, Hugh Johnson?" - Jancis Robinson MW

Hugh Johnson has led the literature of wine in many new directions over a 60-year career. His classic The Story of Wine is his most enthralling and enduring work, winner of every wine award in the UK and USA. It tells with wit, scholarship and humor how wine became the global phenomenon it is today, varying from mass-produced plonk to rare bottles fetching many thousands. It ranges from Noah to Napa, Pompeii to Prohibition to Pomerol, gripping, anecdotal, personal, controversial and fun. This new edition includes Hugh's view on the changes wine has seen in the past 30 years. In his Foreword the celebrated historian Andrew Roberts writes: The genius of The Story of Wine derives from the fact that it is emphatically not a dry-as-dust academic history - there are dozens of those - but an adventure story, full of mysteries, art and culture.

Few wine books can be called classic, but the first edition of The World Atlas of Wine made publishing history when it appeared in 1971. It is recognized by critics as the essential and most authoritative wine reference work available. This eighth edition will bring readers, both old and new, up to date with the world of wine. To reflect all the changes in the global wine scene over the past six years, the Atlas has grown in size to 416 pages and 22 new maps have been added to the wealth of superb cartography in the book. The text has been given a complete overhaul to address the topics of most vital interest to today's wine-growers and drinkers. With beautiful photography throughout, Hugh Johnson and Jancis Robinson, the world's most respected wine-writing duo, have once again joined forces to create a classic that no wine lover can afford to be without. "The World Atlas of Wine is the single most important reference book on the shelf of any wine student." - Eric Asimov, New York Times "The most useful single volume on wine ever published... If I owned only one wine book, it would be this one." - Andrew Jefford, Decanter "Like a good bottle of wine, you'll find yourself going back to it again and again... Perfect for anyone who has a thirst for greater wine knowledge." - Edward Deitch, NBC/today.com "The World Atlas of Wine belongs on your shelf... The essential rootstock of any true wine lover's library. A multi-layered snapshot of wine and how it has evolved." - Dave McIntyre, Washington Post
