i alex cross 16 james patterson

Storm - Thriller

Als in Washington, D.C., zwei hoch angesehene - und ebenso korrupte - öffentliche Personen ermordet werden, muss Detective Alex Cross seine Hochzeitsplanung auf Eis legen, um die Ermittlungen aufzunehmen. Doch seine Nachforschungen verlaufen im Sand. Als weitere hochkarätige Opfer sterben, feiert die Bevölkerung den Schützen fast wie einen Helden. In diesem Tumult taucht Cross' ärgster Feind auf, der sich geschworen hat, die Stadt erst wieder zu verlassen, wenn sein Gegenspieler für immer schweigt ... James Patterson, geboren 1949, war Kreativdirektor bei einer großen amerikanischen Werbeagentur. Seine Thriller um den Kriminalpsychologen Alex Cross machten ihn zu einem der erfolgreichsten Bestsellerautoren der Welt. Auch die Romane seiner packenden Thrillerserie um Detective Lindsay Boxer und den 'Women's Murder Club' erreichen regelmässig die Spitzenplätze der internationalen Bestsellerlisten. James Patterson lebt mit seiner Familie in Palm Beach und Westchester, N.Y.

I, Alex Cross

Thriller. Detective Alex Cross is pulled out of a family celebration and given the awful news that a beloved relative has been found brutally murdered. Alex vows to hunt down the killer, and soon learns that she was mixed up in one of Washington's wildest scenes. And she was not this killer's only victim

Kill Alex Cross

The President's son and daughter are abducted, and Detective Alex Cross is one of the first on the scene. But someone very high-up is using the FBI, Secret Service, and CIA to keep him off the case and in the dark. A deadly contagion in the water supply cripples half of the capital, and Alex discovers that someone may be about to unleash the most devastating attack the United States has ever experienced. As his window for solving both crimes narrows, Alex makes a desperate decision that goes against everything he believes--one that may alter the fate of the entire country. KILL ALEX CROSS is faster, more exciting, and more tightly wound than any Alex Cross thriller James Patterson has ever written!

I, Alex Cross

A Cross family member is murdered, and the case catapults Alex into a world where power masks unfathomable evil.

Double Cross

Just when Alex Cross's life is calming down, he is drawn back into the game to confront a criminal mastermind like no other. The elaborate murders that have stunned Washington, DC,
are the wildest that Alex Cross and his new girlfriend, Detective Brianna Stone, have ever seen. This maniac adores an audience, and stages his killings as spectacles in public settings. Alex is pursuing a genius of terror who has the whole city on edge as it waits for his next move. And the killer loves the attention, no doubt—he even sets up his own Web site and live video feed to trumpet his madness. And in Colorado, another criminal mastermind is planning a triumphant return. From his supermaximum-security prison cell, Kyle Craig has plotted for years to have one chance at an impossible escape. If he has to join forces with DC’s Audience Killer to get back at the man who put him in that cell--Alex Cross--all the better. From the author Time magazine has called "the man who can't miss," Double Cross has the pulse-racing momentum and electrifying thrills that have made James Patterson a #1 bestselling storyteller all over the world.

**Cross Fire**

Wedding bells ring Detective Alex Cross and Bree’s wedding plans are put on hold when Alex is called to the scene of the perfectly executed assassination of two of Washington D.C.’s most corrupt: a dirty congressmen and an underhanded lobbyist. Next, the elusive gunman begins picking off other crooked politicians, sparking a blaze of theories--is the marksman a hero or a vigilante? A murderer returns The case explodes, and the FBI assigns agent Max Siegel to the investigation. As Alex and Siegel battle over jurisdiction, the murders continue. It becomes clear that they are the work of a professional who has detailed knowledge of his victims' movements--information that only a Washington insider could possess. Caught in a lethal cross fire As Alex contends with the sniper, Siegel, and the wedding, he receives a call from his deadliest adversary, Kyle Craig. The Mastermind is in D.C. and will not relent until he has eliminated Cross and his family for good. With a supercharged blend of action, deception, and suspense, Cross Fire is James Patterson's most visceral and exciting Alex Cross novel ever.

**Criss Cross**

A killer with all the skills of a master detective has made Alex Cross the subject of his deranged "investigation." In a Virginia penitentiary, Alex Cross and his partner, John Sampson, witness the execution of a killer they helped convict. Hours later, they are called to the scene of a copycat crime. A note signed "M" rests on the corpse. “You messed up big time, Dr. Cross.” Was an innocent man just put to death? Alex soon realizes he may have much to answer for, as "M" lures the detective out of the capital to the sites of multiple homicides, all marked with distressingly familiar details -- details that conjure up decades-old cases. Details that conjure up Cross family secrets. Details that make clear that M is after a prize so dear that -- were the killer to attain it -- Alex's heart would no longer have reason to beat.

**Along Came a Spider**

Discover the classic thriller that launched the #1 detective series of the past twenty-five years, now one of PBS's "100 Great American Reads" Alex Cross is a homicide detective with a Ph.D. in psychology. He works and lives in the ghettos of D. C. and looks like Muhammad Ali in his prime. He's a tough guy from a tough part of town who wears Harris Tweed jackets and likes to
relax by banging out Gershwin tunes on his baby grand piano. But he also has two adorable kids of his own, and they are his own special vulnerabilities. Jezzie Flanagan is the first woman ever to hold the highly sensitive job as supervisor of the Secret Service in Washington. Blond, mysterious, seductive, she's got an outer shell that's as tough as it is beautiful. She rides her black BMW motorcycle at speeds of no less than 100 mph. What is she running from? What is her secret? Alex Cross and Jezzie Flanagan are about to have a forbidden love affair at the worst possible time for both of them. Because Gary Soneji, who wants to commit the "crime of the century," is playing at the top of his game. Soneji has outsmarted the FBI, the Secret Service, and the police. Who will be his next victim? Gary Soneji is every parent's worst nightmare. He has become Alex Cross's nightmare. And now, reader, he's about to become yours.

16th Seduction

Fifteen months ago, Detective Lindsay Boxer's life was perfect - she had a beautiful child and a doting husband, Joe, who helped her catch a ruthless criminal who'd detonated a bomb in downtown San Francisco, killing twelve people. But Joe isn't everything that Lindsay thought he was, and she's still reeling from his betrayal as a wave of mysterious, and possibly unnatural, heart attacks strikes seemingly unrelated victims across San Francisco. Now the bomber she and Joe captured is about to go on trial, and his defense raises damning questions about Lindsay and Joe's investigation. Not knowing whom to trust, and struggling to accept the truth about the man she thought she knew, Lindsay must connect the dots of a deadly conspiracy before a brilliant criminal puts her on trial.

Deadly Cross

The murder of a glamorous DC socialite becomes Alex Cross's deadliest case since Along Came a Spider. Kay Willingham led a life as glamorous as it was public—she was a gorgeous Georgetown socialite, philanthropist, and the ex-wife of the vice president. So why was she parked in a Bentley convertible idling behind a DC private school, in the middle of the night, with the man who was the head of that school? Who shot them both, point blank, and why? The shocking double homicide is blazed across the internet, TV, newspapers—and across Alex Cross's mind. Kay had been his patient once. And maybe more. While John Sampson of DC Metro Police investigates the last movements of Christopher Randall, the educator killed along with Kay Willingham, detective Alex Cross and FBI special agent Ned Mahoney find unanswered questions from Willingham's past, before she arrived in DC and became known in DC society as someone who could make things happen. They travel to Alabama to investigate Kay's early years. There they find a world of trouble, corruption, and secrets, all of them closed to outsiders like Cross and Mahoney. Kay had many enemies, but all of them seemed to need her alive. The harder the investigators push, the more resistance they find when they leave behind the polite law offices and doctors' quarters of the state capital. Alex Cross will need to use all his skills as a doctor, a detective, and a family man to prevent that resistance from turning lethal . . . again.
