**Touched**

Time may not heal all wounds--but she can. You'd think being able to heal people with a touch would be a blessing. But to 17-year-old Remy O'Malley, it's more like a curse. Every injury Remy heals becomes her own. She lives in fear of the day she's forced to mend a wound from which she can't recover--and she's desperate to keep her amazing ability a secret. Enter Asher Blackwell, a scarred eighteen-year-old with dangerous powers of his own. Asher seems to know more about Remy's abilities than she does--and maybe more than he's letting on. If she opens up to him, she might find out what it truly means to be a Healer. But she'll also expose herself to capture by an old and very determined enemy. And if they catch her, they won't just injure her. They'll kill her. Corrine Jackson is a San Francisco transplant, having lived on both coasts from Southern California to New York City. She has bachelor's and master's degrees in English, and is in her third year of Spalding University's MFA program. A recipient of a West Chester Poetry Conference scholarship, she is also the former Editor-in-Chief of two literary magazines, including Statement (CSU, Los Angeles) and Dash (CSU, Fullerton).

**Choke**

A heartfelt novel about the disturbing "choking game" trend -- and one girl's struggle for self-acceptance. If she could -- if her parents would let her -- eighth-grader Windy would change
everything about herself. She'd get highlights in her hair, a new wardrobe; she'd wear makeup. But nothing ever changes. The mean girls at school are still mean, and Windy's best friend Elena is still more interested in making up words than talking about boys. And then one day, Windy gets the change she's been looking for. New girl Nina -- impossibly cool, confident, and not afraid of anyone -- starts hanging out with Windy! Nina even wants to be "breath sisters." Windy isn't sure what that means, exactly, but she knows she wants to find out. It sounds even better than a BFF. Windy is right, at first. Being a breath sister gains her a whole new set of friends, girls she feels closer to and cooler with than anyone else. But her inclusion in the new crowd comes at a dangerous price. Windy wants to change everything about her life ... but is she really willing to give up everything in the process?

The Sound of Letting Go

For sixteen years, Daisy has been good. A good daughter, helping out with her autistic younger brother uncomplainingly. A good friend, even when her best friend makes her feel like a third wheel. When her parents announce they're sending her brother to an institution—without consulting her—Daisy's furious, and decides the best way to be a good sister is to start being bad. She quits jazz band and orchestra, slacks in school, and falls for bad-boy Dave. But one person won't let Daisy forget who she used to be: Irish exchange student and brilliant musician Cal. Does she want the bad boy or the prodigy? Should she side with her parents or protect her brother? How do you know when to hold on and when—and how—to let go? "The Sound of Letting Go is deeply moving, fiercely honest, and always surprising. Stasia Ward Kehoe's characters are so real and complex, you won't want to let them go at the end. I loved this book!"—Barbara Dee, author of Solving Zoe, This Is Me From Now On, Just Another Day in My Insanely Real Life, and Trauma Queen "Achingly beautiful, The Sound of Letting Go takes readers down a dangerous path while touching the heart and encouraging hope."—Elana Johnson, author of Possession, Surrender, and Abandon “Told in verse that is at once delicate and strong, lyrical and honest, Stasia Kehoe’s The Sound of Letting Go is a moving contemporary story of the intense push and pull between the responsibility of family and the freedom of dreams.”—Jessi Kirby, author of Moonglass, In Honor, and Golden “With captivating verse and a lyrical love story to match, The Sound of Letting Go will keep you hanging on, breathless and enchanted, until the very last page.”—Gretchen McNeil, author of Possess, Ten and the forthcoming 3:59 and the “Don’t Get Mad” series “Soulful and stunning, this book has captured my heart. It’s one of those tragic melodies you never want to end, a tribute to the
damning and redemptive power of music.”—Jessica Martinez, author of Virtuosity and The Space Between Us “The Sound of Letting Go draws you honestly into the turbulent ambivalence of life with a severely challenged sibling, while never short-shrifting Daisy’s individual coming-of-age journey. The music of Stasia Kehoe’s beautifully flawed characters will resonate in your mind long after you finish reading her book.”—Elise Allen, author of Populazzi, co-author of the Elixir series with Hilary Duff
