Only a Cowboy Will Do - Includes a Bonus Novella

A small-town woman is swept off her feet by a caring stranger in this charming western romance from a "fabulous storyteller" (Carolyn Brown, New York Times bestselling author). Forty candles, and one for luck. Jenna Owens wants one thing for her birthday this year: a fairy-tale ending of her own and a little relaxation at a quaint California ranch. What she didn’t want was to get caught in a storm on her way to Meadow Valley. Or to get stuck with a ridiculously hot, too-charming-for-his-own-good cowboy—one who makes Jenna reconsider her “I don't date younger guys” rule. But a little vacation flirtation might be just what she needs. Colt Morgan isn’t interested in long-term relationships. Not since his last one crashed and burned after his fiancée found out he wanted a big family. So when he learns that Jenna has a list of items to accomplish on her trip—including having fling—Colt is all too happy to oblige. Yet the more he and Jenna get to know each other, the more Colt starts to wonder if maybe they have a chance at a real future. But when Jenna’s past upends everything Colt thought he wanted, are all bets off? Or will they find a way to make both their dreams come true? Includes the bonus novella Sealed with a Kiss by Melinda Curtis!

My One and Only Cowboy - Two full books for the price of one

From this "fabulous storyteller" (Carolyn Brown, New York Times bestselling author) comes the first book in an all-new western romance series. If Only

If Only by A.J. Pine A new adult novel from Entangled's Embrace imprint... Sometimes it takes crossing an ocean to figure out where you belong. It's been two years since twenty-year-old Jordan had a boyfriend—which means it's been forever since she, well, you know. But now she's off to spend her junior year in Aberdeen, Scotland, the perfect place to stop waiting for Mr. Right and just enjoy Mr. Right Now. Sexy, sweet (and possible player) Griffin may be her perfect, no-strings-attached match. He's fun, gorgeous, and makes her laugh. So why can't she stop thinking about Noah who, minutes after being trapped together outside the train's loo, kisses Jordan like she's never been kissed before? Never mind his impossible blue eyes, his weathered, annotated copy of The Great Gatsby (total English-major porn)...oh, and his
girlfriend. Jordan knows everything this year has an expiration date. Aberdeen is supposed to be about fun rather than waiting for life to happen. But E. M. Forster, Shakespeare, and mistletoe on Valentine's Day make her reconsider what love is and how far she's willing to go for the right guy.

**When Joss Met Matt - A Novel**

In the tradition of New Adult superstar Jessica Sorensen, Ellie Cahill’s debut novel is a charming friends-with-benefits story . . . with a twist! What if after every bad breakup, there was someone to help “cleanse your palate”—someone who wouldn’t judge you, who was great in bed, someone you were sure not to fall in love with? “Sorbet sex” could solve everything—as long as it never got too sweet. Joss and Matt have been friends since freshman year of college, meeting one night after Joss is dumped by her boyfriend. After a few drinks, Matt humors her with a proposition: that he’ll become her go-to guy whenever she needs to heal a broken heart. In return, she’ll do the same for him. The #1 Rule: They’ll never fall in love with each other.

People scoff at the arrangement. But six years later, Joss and Matt are still the best of friends . . . with benefits. Through a string of boyfriends and girlfriends—some almost perfect, some downright wrong—Joss and Matt are always there for each other when the going gets tough. No strings. Piece of cake. No problem. After all, since they wrote the rules, surely they can play by them. Or can they? Advance praise for When Joss Met Matt “Hands down, one of my favorite New Adult reads . . . Ellie Cahill is definitely one to watch!”—New York Times bestselling author Cora Carmack “This is one of those books that make you forget everything around you. Prepare to be consumed by this story.”—Sophie Jordan, New York Times bestselling author of Wild “Fun, sexy, and full of amazing chemistry, When Joss Met Matt is an entertaining escape that will leave you smiling with every turn of the page.”—Cassie Mae, author of The Real Thing
