Almost Dead

In an atmospheric, chilling novel from #1 New York Times bestselling author Lisa Jackson, a string of murders points to a terrifying secret within a wealthy San Francisco family... Shock and grief play tricks on the mind. Cissy Cahill has been telling herself that a lot lately. Even if Cissy wasn't particularly close to her grandmother, Eugenia Cahill’s sudden death was bound to take a toll. That would explain the footsteps Cissy hears when there’s no one around, the scent of another woman’s perfume, the unnerving shadows outside her son’s bedroom window. She doesn’t want to panic—or give her estranged husband, Jack, more reason to try and move back
in. After all, why would anyone choose to target her? For generations, the Cahills have been one of San Francisco’s most affluent families, with a splendid manor perched high above the Bay. Money like theirs offers not just privilege, but protection. Yet something has changed. One by one, Cahills are dying in brutal ways. Uncertain who to trust, Cissy is desperate to keep her young son safe. And the only way is to delve into her family’s past and uncover the twisted truth...before a killer finds them.

**You Betrayed Me - A Chilling Novel of Gripping Psychological Suspense**

"The Cahills of San Francisco are famous for two things: their vast wealth, and the scandals that surround them. Murder, greed, deadly ambition ... some people will do anything to get, and keep, the Cahills' kind of money. Not that James Cahill wants any of it. He's tried to make his own way, less interested in a future inheritance than in his construction company--and in enjoying the many women taken in by the easy charms of a handsome, soon-to-be-rich bad boy. Perhaps there've been too many women. Waking up in a small hospital in Washington State, bandaged and bruised, James barely recognizes the gorgeous blonde who comes to visit. Through the haze of pain and medication, he recalls that she is Sophia, the woman he's been cheating with. Gradually memories return--his girlfriend, Megan, had found out about Sophia. Now Megan is missing, her sister, Rebecca, is hounding him--and police and reporters are asking questions too. James insists he has no idea what happened. Yet he can't escape a feeling of dread..."--Publisher.
