Cass and Max-Ernest discover the Museum of Magic, unscramble more coded messages, and solve new mysteries in their attempt to thwart the Terces Society's ambitions of discovering immortality.

Beware! Dangerous secrets lie between the pages of this book. OK, I warned you. But if you think I'll give anything away, or tell you that this is the sequel to my first literary endeavor, The Name of This Book is Secret, you're wrong. I'm not going to remind you of how we last left our heroes, Cass and Max-Ernest, as they awaited initiation into the mysterious Terces Society, or the ongoing fight against the evil Dr. L and Ms. Mauvais. I certainly won't be telling you about how the kids stumble upon the Museum of Magic, where they finally meet the amazing Pietro! Oh, blast! I've done it again. Well, at least I didn't tell you about the missing Sound Prism, the nefarious Lord Pharaoh, or the mysterious creature born in a bottle over 500 years ago, the key to the biggest secret of all. I really can't help myself, now can I? Let's face it - if you're reading this, it's too late.

Cass and Max-Ernest discover the Museum of Magic, unscramble more coded messages, and solve new mysteries in their attempt to thwart the Terces Society's ambitions of discovering immortality.

The Name of this Book Is Secret
Read the series that's sold more than 2 million copies—-if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

**You Have To Stop This - The Secret Series (Book 5)**

Do you want to finally, conclusively, and at (very) long last, learn the Secret? Are you REALLY sure? Because now's your chance to escape... No? You're staying put? Have you any idea of what lies between these perilous pages? (How could you? ... except perhaps if you were to smell that faint aroma of musty mummy, or catch a glance of the deviously despicable Lord Pharaoh). Well, if you really want to learn the Secret I suppose you'll HAVE to read this. But you won't like it. The fifth and final fantastical adventure in the 'Secret' series in which Cass, Max-Ernest and Yo-Yoji are accused of stealing a very-valuable-and-not-to-be-touched ancient Egyptian mummy from the local museum. They are determined to clear their names, but after getting accidentally trapped in a crate with a mumified cat, the three youngest members of the Terces society unwittingly find themselves on their way to the great pyramids of...Las Vegas. Amongst the dusty corridors of the Cairo Hotel and mysterious hieroglyphs of the Nile Nail Salon, Cass draws ever closer to uncovering the Secret...

**This Isn't What It Looks Like - The Secret Series (Book 4)**

WARNING! Appearances can be deceptive...This book is NOT filled with ancient magic, mystical clairvoyants and the marvels of time travel. This is NOT a book detailing the latest top secret investigations of the Terces Society. You will NOT find stolen treasure, masked bandits and bloodthirsty knights between the pages of this book. But before you go, just remember one thing... This Isn't What It Looks Like. The utterly gripping fourth fantastic book in the "Secret" series in which Cass’s mind has been transported back to medieval England after she dared to taste the Midnight Sun's deadly chocolate. She must seek out her ancient ancestor and founder of the Terces Society, the jester, and help him escape the evil clutches of Lord Pharaoh, founder of the Midnight Sun. To Cass’s horror, when she wakes from her coma she has forgotten everything. But a school trip to a medieval fair stirs her memories and she is confronted with a menacing blast from her time-travelling past... "The crazy, upside-down, inside-out, mysterious, madcap and fun, fun, fun Pseudonymous Bosch is back with another extraordinary, out-of-this-world chapter in his seriously addictive children's 'Secret Series'.
