The Most Wanted Series 3-Book Bundle - Wanted, Heated, Ignited

New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. This is the series that led RT Book Reviews to proclaim, “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.” Now all three installments are available in one addictive ebook bundle: WANTED He is everything I crave, all I desperately want—and he is everything I can’t have. Evan Black
embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan’s dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can’t fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. HEATED I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I’ve fallen, there’s no going back. IGNITED He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. Praise for the Most Wanted series “Wanted is another J. Kenner masterpiece. . . . This was an intriguing look at self-discovery and forbidden love all wrapped into a neat little action suspense package. There was plenty of sexual tension and eventually action. Evan was hot, hot, hot! Together, they were combustible. But can we expect anything less from J. Kenner?”—Reading Haven “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.”—Library Journal, on Heated “[Kenner’s] characters’ scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure.”—RT Book Reviews, on Heated “Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets. Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring.”—The Romance Reviews (five stars) The Most Wanted series is intended for mature audiences.

**The Butterfly Effect - How Kendrick Lamar Ignited the Soul of Black**
America

This “smart, confident, and necessary” (Shea Serrano, New York Times bestselling author) first cultural biography of rap superstar and “master of storytelling” (The New Yorker) Kendrick Lamar explores his meteoric rise to fame and his profound impact on a racially fraught America—perfect for fans of Zack O'Malley Greenburg’s Empire State of Mind. Kendrick Lamar is at the top of his game. The thirteen-time Grammy Award-winning rapper is just in his early thirties, but he’s already won the Pulitzer Prize for Music, produced and curated the soundtrack of the megahit film Black Panther, and has been named one of Time’s 100 Influential People. But what’s even more striking about the Compton-born lyricist and performer is how he’s established himself as a formidable adversary of oppression and force for change. Through his confessional poetics, his politically charged anthems, and his radical performances, Lamar has become a beacon of light for countless people. Written by veteran journalist and music critic Marcus J. Moore, this is much more than the first biography of Kendrick Lamar. “It’s an analytical deep dive into the life of that good kid whose m.A.A.d city raised him, and how it sparked a fire within Kendrick Lamar to change history” (Kathy Iandoli, author of Baby Girl) for the better.
