Improper Relations

Dorset, 1858 When Hannah's caught watching her late husband's cousin debauch the maid in the library, she's mortified—but also intrigued. An unpaid companion to his aunt, she's used to being ignored. The black sheep of the family, Leo has nothing but his good looks and noble birth to recommend him. Hannah ought to be appalled at what she's witnessed, but there's something about Leo that draws her to him. When Leo claims he can prove that women can feel desire as passionately as men, Hannah is incredulous. Her own experiences have been uninspiring. Yet she can't bring herself to refuse his audacious proposal when he offers to tutor her in the art of lovemaking. As the tantalizing, wicked lessons continue, she begins to fear she's losing not just her inhibitions, but her heart as well. The poorest of relations, she has nothing to offer Leo but herself. Will it be enough when their erotic education ends? 22,000 words

The Trusted Advisor Fieldbook - A Comprehensive Toolkit for Leading with Trust

A practical guide to being a trusted advisor for leaders in any industry In this hands-on successor to the popular book The Trusted Advisor, you'll find answers to pervasive questions about trust and leadership—such as how to develop business with trust, nurture trust-based relationships, build and run a trustworthy organization, and develop your trust skill set. This pragmatic workbook delivers everyday tools, exercises, resources, and actionable to-do lists for the wide range of situations a trusted advisor inevitably encounters. The authors speak in concrete terms about how to dramatically improve your results in sales, relationship management, and organizational performance. Your success as a leader will always be based on the degree to which you are trusted by your stakeholders. Each chapter offers specific ways to train your thinking and your habits in order to earn the trust that is necessary to be influential, successful, and known as someone who makes a difference. Self-administered worksheets and coaching questions provide immediate insights into your current business challenges Real-life examples demonstrate proven ways to "walk the talk" Action plans bridge the gap between insights and outcomes Put the knowledge and practices in this fieldbook to work, and you'll be someone who earns trust quickly, consistently, and sustainably—in business and in life.

Sunshine Girl - An Unexpected Life

"Known for her outstanding performances on The Good Wife and ER, Julianna Margulies now unleashes her sharp talent with a powerful debut memoir chronicling her life and her work, examining from within, her journey from chaos to calm. "When an actor is on a long running television show, especially when the writing is superb as was the case with The Good Wife, the character becomes a second skin; they grow as you grow, they change as you change. Being an actress gives me the luxury of discovering myself. All the feelings that came up from playing
Alicia allowed me to look back at my life and tap into my own vulnerability. My personal fear of the unknown reared its ugly head as I studied this character, most likely stemming from the ever-present unpredictability of my childhood."

- From the Introduction

An apple-cheeked bubbly child, Julianna Margulies was bestowed the nickname "Sunshine Girl" by her mother at an early age. Raised between two divorced parents, often on different continents, Julianna quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna's role among the turmoil and uncertainty that her parents generated, was to comfort those around her, find organization among the disorder, and eventually make her way in the world as a young adult and eventually an Award-winning actress. Along the way, there were failed romances, difficult choices, and overwhelming rejections. But there was also the moment that fate, faith, and talent assembled in a perfect storm that lead to the roles of a lifetime, both professionally and personally. Sunshine Girl is an accomplished coming of age story that offers readers a rich sense of relatability as well as the intimate details of a life unimagined"

When I Fell From the Sky - The True Story of One Woman's Miraculous Survival

On Christmas Eve 1971, the packed LANSA flight 508 from Lima to Pucallpa was struck by lightning and went down in dense jungle hundreds of miles from civilization. Of its 93 passengers, only one survived. Juliane Koepcke, the seventeen-year-old child of famous German zoologists. She'd been thrown from the plane two miles above the forest canopy, but had sustained only a broken collarbone and a cut on her leg. With incredible courage, instinct and ingenuity, she survived three weeks in the "green hell" of the Amazon - using the skills she'd learned in assisting her parents on their research trips into the jungle - before coming across a loggers hut, and, with it, safety. Now she tells her fascinating story for the first time, and in doing so tells us about her 'Gerald Durrell' childhood - with a menagerie of wild, exotic and sometimes dangerous pets - about how she learned to survive at her parents ecological station deep in the rainforest and about her present-day commitment to this wildlife as a biologist and dedicated environmentalist.

A Genealogical and Heraldic History of the Landed Gentry of Great Britain & Ireland

Pure

We know you are here, our brothers and sisters . . . Pressia barely remembers the Detonations or much about life during the Before. In her sleeping cabinet behind the rubble of an old barbershop where she lives with her grandfather, she thinks about what is lost-how the world went from amusement parks, movie theaters, birthday parties, fathers and mothers . . . to ash and dust, scars, permanent burns, and fused, damaged bodies. And now, at an age when everyone is required to turn themselves over to the militia to either be trained as a soldier or, if
they are too damaged and weak, to be used as live targets, Pressia can no longer pretend to be small. Pressia is on the run. Burn a Pure and Breathe the Ash . . . There are those who escaped the apocalypse unmarked. Pures. They are tucked safely inside the Dome that protects their healthy, superior bodies. Yet Partridge, whose father is one of the most influential men in the Dome, feels isolated and lonely. Different. He thinks about loss—maybe just because his family is broken; his father is emotionally distant; his brother killed himself; and his mother never made it inside their shelter. Or maybe it's his claustrophobia: his feeling that this Dome has become a swaddling of intensely rigid order. So when a slipped phrase suggests his mother might still be alive, Partridge risks his life to leave the Dome to find her. When Pressia meets Partridge, their worlds shatter all over again.

**Tonight We Rule the World**

From the critically acclaimed author of Deposing Nathan comes an explosive examination of identity, voice, and the indelible ways our stories are rewritten by others. In the beginning, Owen’s story was blank . . . then he was befriended by Lily, the aspiring author who helped him find his voice. Together, the two have spent years navigating first love and amassing an inseparable friend group. But all of it is upended one day when his school’s administration learns Owen’s secret: that he was sexually assaulted by a classmate. In the ensuing investigation, everyone scrambles to hold their worlds together. Owen, still wrestling with his self-destructive thoughts and choices. His father, a mission-driven military vet ready to start a war to find his son’s attacker. The school bureaucrats, who seem most concerned with kowtowing to the local media attention. And Lily, who can’t learn that Owen is the mystery victim everyone is talking about . . . because once she does, it will set off a chain of events that will change their lives forever. Heartbreaking and hopeful, this is a coming-of-age story that explores how we rebuild after the world comes crumbling down.
