A city girl looking for love and adventure hopes her wishes will come true in Wishful, California—in this romance by the New York Times–bestselling author. Numbers cruncher Katie Kramer has been a good girl all her life and yet she's never found a place to fit in. So now, at rock bottom and her wit’s end, she’s wishing for some good karma. Staring up at the night sky—which is barely visible in LA—she falls asleep dreaming about a twinkling, falling star, and makes three wishes: The first is to experience a real-life adventure complete with amazingly athletic feats and danger. The second is for some good sex. And the third is to belong. Really belong somewhere. Anywhere. The next day Katie reads an ad about a small, far-away mountain town named Wishful, and an expedition company that needs a bookkeeper. Could it be a dream come true? When Katie arrives in the quirky little town, she finds the Getaway Inn . . . and Cameron Wilder. Cam’s lived a thousand lifetimes in his thirty years, and there’s so much he wants to show Katie. Most of all that there’s no way to escape karma. “Jill Shalvis sweeps you away.”—Cherry Adair
