Den Of Sorrows - Grey Wolves Series Book 9

The Romanian and Serbian Canis lupus rest in an uneasy peace. One of their own, Sally Miklos, the young and powerful gypsy healer, aids Perizada in her quest to defeat Volcan, a long forgotten nightmare returned to our world. These two packs watch as their brothers across the world, wolves from Spain, Ireland, and America, join their own forces in the battle against the evil dark fae. At the same time, the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers. While Jacque and Jen miss Sally, their longtime best friend, they have bided their time dealing with their own domestic issues. Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant. Both girls are eagerly awaiting Sally’s return, and have Perizada’s word that she will be back in time for the birth of Jacque’s baby. Vasile and Alina, the Alpha pair of the Romanian pack, are enjoying this time of peace. But Vasile did not become the most powerful Alpha in centuries by being a fool. He has lived long enough to know that there is always another battle on the horizon. As long as evil exists in this world, his race must step forward and stand in the gap, shielding those who cannot protect themselves. But the battle he is anticipating is bigger than he could have ever imagined. As Perizada has recently discovered, creatures of the night that have for so long remained hidden from the human realm, have slithered from their underground lairs and begun preying on the young and innocent. The high fae has declared war, and she expects Vasile and his wolves to be the ones to carry out the attack. The Alpha is more than happy to oblige. But with his first grandchild on the way, and the gift of five vulnerable healers coming under the wolves’ protection, he understands that he must be very careful not to place any of them in harm’s way. Such is the job of the Alpha, protector, and provider. He and those he leads must stand as sentinels and warriors to safeguard those they love, and the humans who know nothing of the supernatural world. It will be their job to destroy the creatures that threaten to expose them all. And if they fail, the world as they know it, both human and supernatural, will never be the same.

Out of the Dark

He is mine and I am his. I will move every obstacle in my way to remind him. Decebel Angehelescu is one of the strongest Canis lupus on earth, an alpha in his own right. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

**Prince of Wolves - Book 1 of the Grey Wolves Series**

Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don’t realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane’s mate and complete the bond between them?

**The Burning Claw - Book 10 of the Grey Wolves Series**

Jacque’s mind wandered as she hovered somewhere between life and death. Her body longed to let go, to sink into the peaceful abyss, to the place where she didn’t have to worry about rabid, child-snatching vampires and the carnage they’d caused to so many innocent families. But something kept her here, tethered to this world, something she couldn’t quite remember hovered just on the edge of her consciousness, something vital. It wasn’t Fane, he would be with her on the other side, she knew that. If she died, he died too and he wouldn’t have it any other way. She could feel Peri’s presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacque’s survival? Jacque was starting to remember someone else—someone that depended on her. A brand new life, precious and perfect…her son. Costin’s best friend lay as if sleeping, clinging to life by a mere thread, held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown-eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn’t know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn’t sure how long he could keep the feral wolf at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she’d served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle the huge dominating werewolf that had staked his claim on her. Drake was past the point of feral when he’d found her, and that kind of darkness doesn’t let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant, who had no idea who or what she was, didn’t stand a chance.
Piercing Silence - A Grey Wolves Novella

It’s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates, wondering if they would ever see their mates again. Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack. Six months of peace and quiet...other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun. When she isn’t complaining about that, she spends her time commenting on how Jacque’s butt is getting wider by the minute. Jacque doesn’t know it, but the reprieve was about to be over. She and Fane thought his demons had been dealt with, but the nightmares are back and the In-Between is once again ripping a hole inside of her mate. Jacque can’t stand to see him hurting. She can’t stand knowing that in some way she was responsible for his struggle because she, after all, was the subject of his pain from the In-Between. She’ll do anything to stop his turmoil. So she makes a desperate decision to do what she thinks her mate needs, or doesn’t need. Others will call it insane. Jen will add her own creative descriptions, including expletives thrown in for added effect. Whatever you call it, Jacque calls it an answer to the darkness that is slowly consuming her mate. She knows that if Fane has any idea of what she has planned, he would chain her to his side. So, naturally she does what any female Canis lupus would do in her shoes--she shuts down the bond and prays that no one gets in her way. She knows he might never forgive her, but then, if her plan works, he won’t even remember her name.

Beyond the Veil

Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves’ wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she’s even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia – with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupus species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupis, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender – who happens to be a member of the Romanian pack. If all that weren’t enough, the Fates have decided to pay a little visit to Jen. It’s time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It’s more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.

Sacrifice of Love
As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna—his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still he can't rid himself of the terrible images seared into his memory. Jacque is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

**Forgotten Silence - A Grey Wolves Novella**

Filthy. Disgusting. Unworthy trash. The same thoughts keep swirling in Sally's mind. She's broken and no one can fix her—not her friends, try as they might, and not her beautiful mate. She'd thought when Costin had rescued her from Jericho's clutches, broken the spell the rogue werewolf had cast on her, and left the cur lying in bloody pieces on the floor of an Ocean Side bar, that one day she might find some peace. Perhaps, with time, she could forget the horrible things she'd done. Perhaps she could forget how she had betrayed her one true mate. Now, several weeks later, the memories and the nightmares have only grown stronger. Unbeknownst to Sally, though the magical bracelet that erased her memories was destroyed, the magical device deposited something sinister within the girl's mind. Now, in a last ditch effort to find some sort of healing, Sally is being shipped off to her hometown—Coldspring, TX. Little does she know that surprises are awaiting her there that will shake the foundations of all she's ever known. Will these new revelations be the key to eradicating the darkness that has taken root in the healer? Or will the secrets that are uncovered be too much for Sally to bear?

**Luna Of Mine - Book 8 in The Grey Wolves Series**

We've watched the Romanian Grey Wolves find their true mates, fight against evil and reunite with the other Canis lupis in the world. Now we will see just how the most powerful Alpha in their
history met his match with the woman who became his mate, and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy. Every story has a beginning and an end. The Alpha of the Romania Grey Wolves knows this better than most. He also knows it’s the things that transpire to create that legacy and the experiences, triumphs and failures that happen in the middle of the story that matter. His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race he had to be willing to serve them. In order to be raised up he had to first be torn down. There was only one who could do this and live, only one who could light his way when the darkness closed in; his mate, his Luna. This is the building of their legacy, the middle of their story. Their triumphs, their failures, and their tragedy’s that would one day make them strong enough to restore a race torn apart by greed, envy, and fear.

**Fate and Fury**

The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacque Pierce, lies writhing in a restless coma, having been put down by Desdemona’s dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness, deep inside Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces.
