Fixie Farr has always lived by her father’s motto: “Family first.” And since her dad passed away, leaving his charming housewares store in the hands of his wife and children, Fixie spends all her time picking up the slack from her siblings instead of striking out on her own. The way Fixie sees it, if she doesn’t take care of her father’s legacy, who will? It’s simply not in Fixie’s nature to say no to people. So when a handsome stranger in a coffee shop asks her to watch his laptop for a moment, she not only agrees—she ends up saving it from certain disaster. To thank Fixie for her quick thinking, the computer’s owner, Sebastian, an investment manager, scribbles an IOU on a coffee sleeve and attaches his business card. Fixie laughs it off—she’d never actually claim an IOU from a stranger. Would she? But then Fixie’s childhood crush, Ryan, comes back into her life, and his lack of a profession pushes all of Fixie’s buttons. As always, she wants nothing for herself—but she’d love Seb to give Ryan a job. No sooner has Seb agreed than the tables are turned once more and a new series of IOUs between Seb and Fixie—from small favors to life-changing moments—ensues. The Party Crasher - A Novel

NATIONAL BESTSELLER • From the #1 New York Times bestselling author of Love Your Life comes a humorous and heartwarming novel about family, set against the backdrop of the most fabulous party you've ever snuck into. “Another triumph, packed with brilliant characters and madcap situations.”—Jill Mansell It’s been over two years since Effie’s beloved parents got
divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she’s become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: Greenoaks, the rambling Victorian country house Effie called home her whole life, has been sold. When Krista decides to throw a grand “house cooling” party, Effie is originally left off the guest list—and then receives a last-minute “anti-invitation” (maybe it’s because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren’t just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who’s still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she’ll ever be able to face her future.
